

Mark 6. 1-13

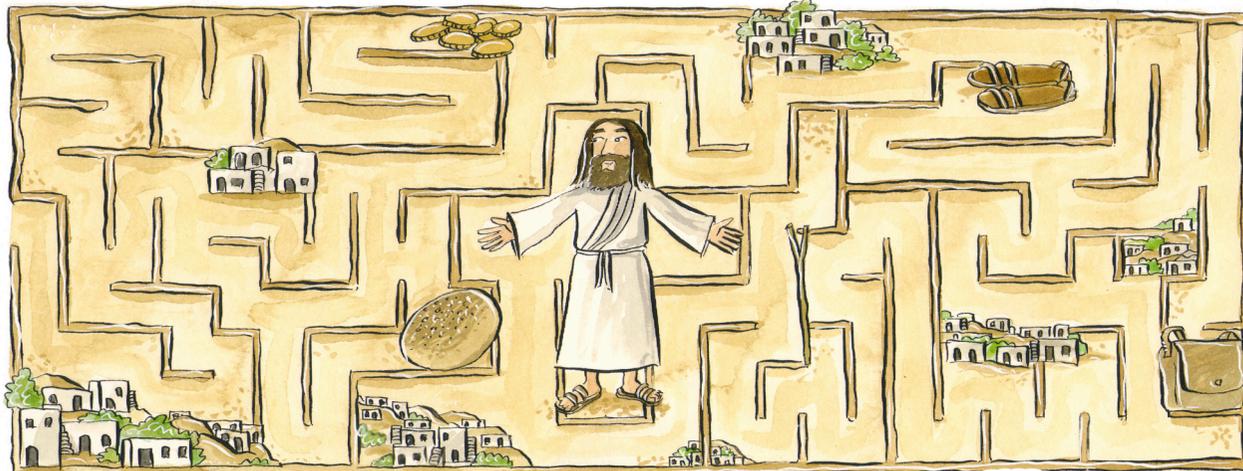

Jesus finds that people in his own town don't respect him. He then sends his disciples on a mission.

The disciples have to rely on God on their journey, as they can't take anything with them to help them.

Go through the maze to get to Jesus - but make sure you avoid the things you can't take with you on the way!

Cross out all these words: money, bag and bread, to reveal the hidden message:
