

Mark 10.46-52

A man asks Jesus for healing. Jesus says that his faith has made him well. The man is now able to see and chooses to follow Jesus.

'I was blind but now I see!'

Add the expressions to Bartimaeus' face – how he felt before and after his healing.

Can you find the eight pairs of glasses hidden within the image of Bartimaeus?

Write a short diary entry as if you were Bartimaeus. Include something on the following questions:

- What did you hear?
- What did you feel?
- What did you do?
- What changed?
